ACSL Ltd.

**ACSL spoke at CYBERSEC 2024, an exhibition on cyber security held in Taiwan**

- ACSL introduced SOTEN at CYBERSEC 2024 held in Taiwan on May 14-16, 2024, and promoted use cases in Japan and the importance of security.
- In Taiwan, the need for secure drones is very high due to the clear trend of economic security and de-Chinese products, and ACSL is watching the potential of the Taiwanese market.

ACSL Ltd. (Head Office: Edogawa-ku, Tokyo; CEO: Satoshi Washiya; hereinafter “ACSL”) is pleased to announce that it has been invited to speak at CYBERSEC 2024, an exhibition held in Taipei, Taiwan in May 2024.

**■ Overview**

In Taiwan, there is a growing need for secure drones, mainly for use by government agencies, due to the clear trend toward economic security and de-Chinese products. ACSL introduced SOTEN, a product that is being considered for launch in the near future in Taiwan, and highlighted its use cases in Japan as well as its security structure and importance.
